PLEASE NOTE

We offer a full range of beauty services at extremely competitive prices.

Our fully functioning commercial salon is run by our professional staff and students, who ensure every client experience is exceptional!

A patch test will be required for tint and lash Glue, which will be carried out

48 hours

before the treatment by a member of the beauty team.

As we are a training college, services may run longer than expected.

Please report to the main college reception to sign in as a visitor, you will then be directed to the beauty department.
