PLEASE NOTE

We offer a full range of beauty services at extremely competitive prices.

Our fully functioning commercial salon is run by our professional staff and students, who ensure every client experience is exceptional!

A patch test will be required for colour services, which will be carried out

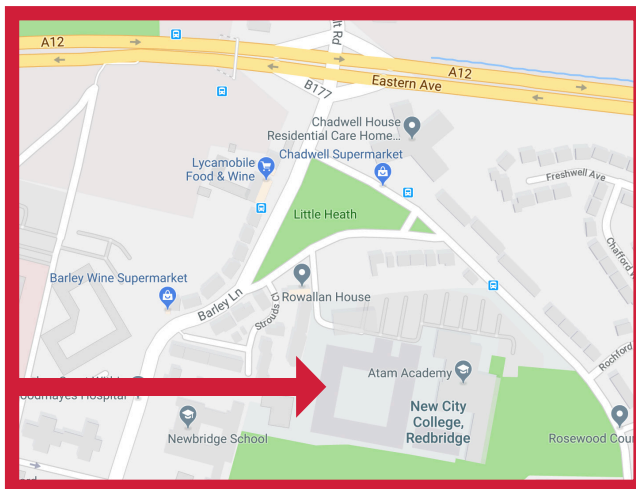

48 hours

before the service by a member of the hair team. As we are a training college, services may run longer than expected.

£10

For any extra tubes of colour used will be added to the final cost of your service. You will be notified of this during the service.

Please report to the main college reception to sign in as a visitor, you will then be directed to the hair department.
