

8 January 2021

### Updated information regarding exams on campus

We have so far given students the option to take exams this month because we are committed to giving all our students the best chance of success. Many students told us that they would like the opportunity to take their exam this month. Others told us that they would rather not, and await arrangements for a later exam date or an assessed grade.

We have reviewed this situation closely.

Further to feedback from our staff and students and an increased level of anxiety locally as well as nationally, we have made the following decision:

- **After Friday 8 January, we will not offer BTEC exams on campus until at least February half term**
- **Other exams will be reviewed on a case by case basis but all are cancelled at least in the week starting 11 January**

We will let students know if exams are rescheduled in later months.

We would like to assure you that we will do all we can to make sure that all our students achieve the grade and qualification that they deserve, whether through exams, assessments or a combination of these.

We thank you for your evident commitment to your studies at this challenging time. Please continue to attend all your lessons online to make sure that you are in the best possible position to achieve your best potential.

With best wishes from all at New City College.
