

# MEALS, SNACKS AND DRINKS ON CAMPUS AT NCC

**New City College is working with one of the leading campus catering companies in the UK, Aramark, to make sure that our students get high quality meals, snacks and drinks at the best prices.**

Aramark has committed to investing over £300,000 to improve our students' experience at our diners, restaurants and coffee bars.

## WHAT DOES THIS MEAN FOR YOU?

- Upgraded diner, cafe and coffee bar outlets, with high street brands you'll recognise
- Weekly and monthly special offers
- Committed, well-trained staff to make sure you get a great service
- Your chance to give us feedback and tell us what you think. A new "Your Voice Counts" web portal will be coming in the next few weeks so look out for the notices in the Café outlets on how to access this service
- More recycling. Less waste. A better carbon footprint.

## LOVE OUR PLANET

- Bring a reusable water bottle to college. We won't be selling drinks in plastic bottles.
- Make sure you put your rubbish in the right recycling bins.
- Take advantage of our Meat-free Mondays and try a new veggie option.

## CASHLESS

New City College campuses are cashless. This means that you can pay for your food and drink with a debit card or with credit on your student ID card. All students have a log-in for Wisepay to top up your ID cards. Many students can get free college meals. Look out for Wisepay to top up cards, and for PayMyStudent to apply for free meals. They're both on ProPortal and the VLE.

## PLEASE....

- Spread the word
- Come and visit us in one of the many outlets across your campus
- Let us know what you think. Look out for the Your Voice Counts information on how to use this located in each restaurant outlet on campus or please ask a member of staff. Also look out for opportunities to join our student feedback groups

We love being part of the NCC community. We're looking forward to getting to know you.
