Has your income changed?

Please tell us if your income goes up or it goes down. This helps us to keep your payments on the right track.

Income gone down? – tell us now, you may be due more tax credits.

If you are due more tax credits, we will increase your remaining payments straightaway. After 5 April 2021 we will send you a Renewal Pack. Once you have told us your actual income for the year from 6 April 2020 to 5 April 2021, we will check your whole award. If we owe you any money we will pay it

Income gone up? – tell us now to keep your payments on the right track

This does not usually affect your tax credits payments for this year.

From 6 April 2021 your payments will be based on the income you have told us about. If your income has gone up and you do not tell us until you complete your Renewal Pack, you may be paid too much from 6 April 2021 onwards. If you are, we will reduce your payments to collect back any overpaid amount.
