

Provider Access Policy Statement

Introduction

This policy statement sets out the college's arrangements for managing the access of providers to students at our college campuses for the purpose of giving them information about the provider's education or training offer. This complies with the college's legal obligations under Section 42B of the Education Act 1997.

Student Entitlement

Students aged 14-18 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a Careers, Education, Information, Advice and Guidance (CEIAG) programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships, through options events, group discussions, taster events, HE and Careers Fairs.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

A provider wishing to request access should contact the NCC Careers Lead:

Kerry Green
Group Head of Careers and IAG
Tel: 0208 502 8781
E-mail: kerry.green@ncc london.ac.uk

Opportunities for access

A number of events, integrated into the NCC CEIAG programme, offer providers an opportunity to come onto college campuses to speak with students:

Premises and facilities

NCC will make appropriate rooms available for discussions between the provider and students, as appropriate to the activity. NCC will also make IT and other specialist equipment available to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader. Providers are welcome to leave a copy of their prospectus or other relevant course literature in the NCC Careers Offices, which are managed by qualified Careers Advisers.
